### **SPECIAL OFFER OF \$20 IN FREE TRAVEL ON THE CLEM7**

Motorists will enjoy \$20 worth of free travel on the CLEM7 if they set-up a new FLOW Tag or Business Account before the tunnel opens in early 2010.

RiverCity Motorway Group CEO Flan Cleary said the company had established FLOW Tolling to make it easier and more affordable for people to use any tollway in Australia.

Key features of the FLOW Tag Account include:

- Customers only pay \$25 in pre-paid toll credits to open an account
- FLOW Tags can be used on any tollway in Brisbane and across Australia
- Account holders can link as many FLOW Tags as they like to a single account
- There is no limit to how many vehicles can share one FLOW Tag
- There are no annual minimum use charges
- There are no additional fees when customers manually top-up their account
- Customers will receive printed quarterly statements free of charge

Motorists can set-up a FLOW Tag or Business Account by visiting [www.clem7.com.au](http://www.clem7.com.au).

The offer of \$20 in free travel on the CLEM7 is only available to FLOW Tolling customers.

Mr Cleary said RiverCity Motorway remained optimistic that the CLEM7 would open to traffic before the end of April 2010.

The 6.8 kilometre CLEM7 will connect Bowen Hills in the north with Kangaroo Point and Woolloongabba in the south, bypassing up to 24 sets of traffic lights. It will connect with Lutwyche Road, Inner City Bypass, Shafston Avenue, the Pacific Motorway and Ipswich Road.
